

Petit as wall applique bigger version or as step light smaller one, suggests a creative use of light. Petit applique, conceived for the higher part of the wall, draws a vertical sharp light effect without glaring. In the steplight version instead, the optical system has been conceived to direct the light towards the walkway and enhances the space. Both versions have reduced dimensions and maintain the same design language within the project. Petit is an IP rated outdoor luminaire that can be used also in humid indoor ambiances, as Wellness and Spa.

**TECHNICAL DESCRIPTION**

Die-cast aluminium housing with high corrosion resistance. Toughened glass diffuser. Stainless steel A4 screws. Luminaire supplied with 5,0m neoprene H05RN-F cable. Silicone gaskets. Double powder paint.

**REGISTERED DESIGN**

**PROTECTION CLASS**  
IP65
