

# Marker

## Step riser recessed

MARKER is a luminaire designed to illuminate stairs and to be recessed in the riser of the steps. It is characterized by the complete absence of glare thanks to a positioning system of the light source, purposely engineered for the best control and downward orientation of light, safety and the visible comfort are totally guaranteed.

# Walker

## Wall recessed

Neat lines, essential shapes, high performances: WALKER is a wall recessed luminaire developed to enlighten floors with a wide and well-directed light avoiding any glare effect. The front frame, with no visible screws, is fixed through a spring locking system that preserves the elegant and well-proportioned aesthetic.
