**Skill,** non-recessed footpath lighting

## **Skill** Non-recessed footpath lighting

SKILL represents a new concept of outdoor lighting fitting; due to this easy and highly user friendly method of installation, SKILL is a unique LED luminaire, assuring high lighting performance and total absence of glare. The most modern electronic technology is contained and provides an excellent quality of light while saving energy. SKILL is available in round, square (in two different sizes) and rectangular versions.

## **New version** Skill rectangular

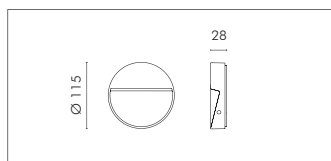

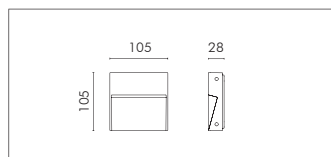

A new rectangular version of the SKILL is now readily available. This version brings an all-around and stylish design while highlighting the spread and uniformity of the light beam.

**S.6250W**  
MINISKILL SQUARE - 24V

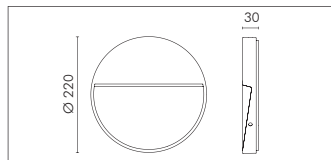

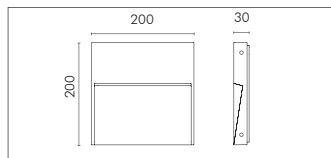

**S.6270W**  
MINISKILL ROUND - 24V

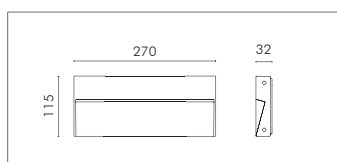

**S.6260W**
